Health & Safety Policy Statement

Under Section 2 (3) of the Health & Safety at Work Act 1974 in fulfilling obligations to employees, visitors, general public and all who may be affected by its activities, **B&C Joinery Services** have produced the following statement:

It is the aim of the Proprietor as far as is reasonably practicable to ensure that:

- The provision of safe systems of work and the maintenance of all plant to be assessed to ensure they are safe without risk to health.
- The working environment of all employees is safe and without risks to health and that adequate provisions are made with regard to the facilities and arrangements for first aid and welfare at work.
- Persons who are not in our employ such as visitors, who may be affected by our activities, are not unduly exposed to risks to their health and safety.
- Information, instruction, training and supervision are provided, as necessary, to secure the health and safety at work of all employees.
- Arrangements for the use, handling, storage and transportation of articles and substances for use at work that are safe and without undue risk to health.
- Adequate information is available with respect to articles and substances used at work, dealing with the conditions and precautions necessary to ensure that, when properly used, they present no undue risks to health or safety.
- There is suitable provision for the safe access and egress to and from all working areas.

As the Proprietor I will set a personal example in carrying the duties placed upon me and will remind employees of the legal duties placed upon them in order to comply with the company's policy and arrangements.

- To take reasonable care for their own health and safety at work and of those who may be affected by their acts or omissions.
- To co-operate with their employer to ensure that they comply with any duty or requirement for health and safety, imposed upon their employer by law, and contained in this statement or the company's policy, arrangements or associated procedures.
- Not to intentionally or recklessly interfere with or misuse anything provided in the interests of health, safety or welfare.
